School Name: Concordia Charter School	HOW TO COMPLETE THIS ASSESSMENT Only complete the columns for the <i>current</i> year, but save for future years.
I. WELLNESS GOALS	 ✓ Check "working on this" if your school staff meets about, makes plans, or otherwise takes steps to try to meet this goal. ✓ Check "successfully completed" if your school fully implements this goal.

GOAL: NUTRITION PROMOTION	Year	Year 1- SY21		2- SY22	Year 3- SY23	
Nutrition Promotion includes activities and participation in programs that promote and reinforce health and emphasize the school's commitment to a healthy school nutrition environment.	working on this	successfully completed	working on this	successfully completed	working on this	successfully completed
Encourages participation in meal programs (School Breakfast, National School Lunch, Fresh Fruit and Vegetable Program).		x		x		
School meal program menus are posted on the district or school website.		x		x		
Menus include nutrient content and ingredients.	x		x			
Participation in meal programs is promoted to families.		x		х		
Farm to School Activities (best practice is to choose a minimum of 4 activities):						
Local and/or regional products are incorporated into the school meal program.		x		x		
Messages about agriculture and nutrition are reinforced throughout the learning environment.		x		x		
School hosts a school garden.		х		x		
School hosts field trips to local farms.		х	х			
School utilizes promotions or special events to highlight local/regional products.	x			x		
Smarter Lunchroom techniques are implemented in the cafeteria (best practice is to choose a	minimum	of 10 technic	ques to im	plement at e	ach schoo	I):
A variety of whole fruits will be displayed in attractive bowls or dishes	x			x		
At least two types of veggies will be offered daily		x		x		
White milk will be offered in all beverage coolers		x		x		
A self-serve "flavor station" will be available to students as appropriate	x		х			
Creative, descriptive names will be used on the menu		x		x		
A sample tray or photo of the daily reimbursable meal will be displayed	x		х			
A menu board, readable from five feet away, will feature meal options with creative names		x		x		
Menu choices will be included in daily announcements by teachers and/or administrators		x		x		
Students will be involved in creating artwork and marketing materials to promote menu items	x		х			
Recess will be provided before lunch		x		x		

GOAL: NUTRITION EDUCATION		Ye	ar 1	Ye	ear 2	Ye	ear 3
	nd may be offered as part of a comprehensive, standards- ge and skills needed to safeguard health and make positive ential individual lessons throughout the school year.	working on this	successfully completed	working on this	successfully completed	working on this	successfully completed
Nutrition education is taught in the following grades:							
🖾 K 🖾 1 🖾 2 🖾 3 🖾 4 🖾 5

n		ndation for PE m		X ndation for PE minutes is 150 per week at th

level and 225 minutes per week at the secondary level (middle school and high school level).

Elementary students (grades K-5) in each grade receive physical education for at least (choose one):					
☑ 45 minutes per week					
60-89 minutes per week					
90-149 minutes per week		X		х	
\Box 150 or more minutes per week					
□ Other:					
Students receive formal, age-appropriate physical education, consistent with national and state standards for physical education.		х		х	
Physical education program promotes student physical fitness through individualized fitness and activity assessments (via <u>the Presidential Youth Fitness Program</u> or other appropriate assessment).		х		х	
Students are moderately to vigorously active for at least 50% of class time during most or all physical education class sessions.		x		x	
Physical education teachers participate in professional development at least once per year.	х				
Recess					
Elementary schools provide at least 20 minutes of recess on all days during the school year.	х		x		
If recess is offered before lunch, proper hand washing measures are in place.		x		х	
Recess is offered outdoors when weather is feasible.		x		x	
Recess is a compliment to not a substitute for physical education class.		x		х	
Recess monitors encourage students to be active.		x		x	
Recess monitors serve as role models by being physically active along with students.	х		x		
Classroom Physical Activity Breaks and Active Academics					
Students are offered periodic opportunities to be physically active or to stretch in the classroom throughout the day on all or most days during a typical school week.		Х		х	
Teachers provide short (3-5 minute) physical activity breaks to students during and between classroom time at least 3 days per week.		Х		х	
Teachers receive resources, tools, and technology with ideas for classroom physical activity breaks.	Х			x	
Teachers incorporate movement and kinesthetic learning approaches into "core" subject instruction when possible to reduce sedentary behavior during the day.	Х		x		
Teachers serve as role models by being physically active alongside students whenever possible.	Х		x		
Physical Activity Topics in Health Education					
Health education is required in all elementary grades.	х		x		
At least 12 of the following essential topics on physical activity are in the health education curriculum:	x		x		

1				•				
The physical, physiological, or social benefits of		Preventing injury during physical activity

II. DISTRICT POLICIES

In the following sections, check the box for the correct year *if your school currently meets the district wellness policy requirements*.

DISTRICT POLICY: SCHOOL MEALS STANDARDS	Year 1	Year 2	Year 3
At a minimum, the school meal standards should meet the New Meal Pattern requirements. This section also includes standards for the meal service area, menu composition (use of local produce) and guidelines for water availability during meals.	in compliance	in compliance	in compliance
National School Lunch Program			
Participates in the National School Lunch Program.	х	x	
Lunch meals served meet the new meal pattern requirements including minimum requirements for fruits, vegetables (and subgroups), whole-grain rich foods, meat/meat alternates and 2 varieties of milk.	х	x	
70 percent of lunch items are prepared from scratch or made on site.			
Students are served lunch at a reasonable and appropriate time of the day.	х	x	
(Elementary only) Lunch follows recess to better support learning and healthy eating.	х	x	
Students have adequate time to eat: Students have 10 minutes of seated time. Students have 20 minutes of seated time. Students have 30 minutes of seated time (ADE best practice). Students have minutes of seated time.	x	x	
School Breakfast Program			
Participates in the School Breakfast Program.	х	x	
Breakfast meals served meet the new meal pattern requirements including minimum requirements for fruits/vegetables, whole- grain rich foods, and 2 varieties of milk.	х	x	
School Meal Standards meet the following additional guidelines established by the district:			
Meals are appealing and attractive to students.	Х	x	
Meals are served in clean and pleasant settings.	х	x	
Local and/or regional products are incorporated into the school meal programs.	х	x	
Fresh fruits and vegetables are served at least 4 times per week.	х	x	
Flavored milk is not served; school only offers low fat and fat free plain milk.	х	x	
School meals are administered by a team of nutrition professionals.	х	x	
Other:			

Other:			
Other:			
Other:			
Water			
Free, potable water is available to all students during the meal period.	х	x	
Water sources and containers are maintained on a regular basis to ensure good hygiene and health safety standards.	х	x	
Students are allowed to bring and carry approved water bottles with only water in them throughout the day.	х	х	

DISTRICT POLICY: COMPETITIVE FOOD AND BEVERAGES	Year 1	Year 2	Year 3
(SOLD TO STUDENTS) Competitive foods and beverages are sold outside of and in competition with federally reimbursable meal programs. At a minimum, LEAs must ensure all foods and beverages sold on campus, during the school day defined as midnight to 30 minutes after the end of the school, meet the USDA Smart Snack guidelines for grades K-12. LEAs can establish additional standards.	in compliance	in compliance	in compliance
Foods and beverages sold outside the school meal programs meet the <u>USDA Smart Snacks in School</u> nutrition standards on the school campus during the school day (midnight to thirty minutes after the end of the school day). This applies to items sold:			
☑ Not applicable, this school does not sell competitive foods or beverages.	х	x	
Foods and beverages sold outside of the school meal programs meet the following additional guidelines este	blished by the dist	rict:	
All foods and beverages sold outside the school meal programs meet the <u>USDA Smart Snacks in School</u> nutrition standards on the school campus at all times (midnight to midnight).		x	
Guideline:			
Guideline:			

DISTRICT POLICY: CELEBRATIONS AND REWARDS	Year 1	Year 2	Year 3
(FOOD SERVED TO STUDENTS) Arizona Nutrition Standards (ANS) state that all food and beverages supplied at school sponsored events to students in grades K-8 must meet the USDA's Smart Snacks in Schools guidelines. The USDA's Smart Snacks in Schools and ANS guidelines do not apply to foods brought to school in bagged lunches or for activities such as birthday parties, holidays, or other celebrations.	in compliance	in compliance	in compliance
School Sponsored Events			
Foods and beverages served to students in grades K-8 meet (or exceed) the USDA Smart Snacks in School nutrition standards, per the <u>Arizona Nutrition Standards (ARS 15-242)</u> .	x	x	
Classroom Celebrations/Rewards			
Foods and beverages served to students during classroom celebrations and parties (holidays and birthdays) meet (or exceed) the USDA Smart Snacks in School nutrition standards.	x	x	

Parents and teachers receive a list of healthy party ideas, including non-food celebration ideas.	х	x	
Food and beverage is not used as a reward.	x	x	
Teachers and other school staff receive a list of alternative ways to reward students.	x	x	
The district has established additional guidelines for all foods and beverages served to students:			
Guideline:			
Guideline:			
Guideline:			

DISTRICT POLICY: FUNDRAISING	Year 1	Year 2	Year 3
In Arizona, all fundraisers are exempted from the Smart Snacks guidelines when an exemption request form is submitted, per HNS 04-2015. However, no exempted fundraiser foods or beverages may be sold in competition with school meals in the food service area during the meal service. LEAs have the authority to implement more restrictive fundraising food standards.	in compliance	in compliance	in compliance
The school does not allow exempt fundraisers. All food sold on campus during the school day as part of a fundraiser must meet Smart Snacks guidelines.	x	x	
The school allows infrequent, exempt fundraisers, where food sold on campus during the school day does not meet Smart Snacks guidelines and complies with the following:	x	x	
The school adheres to the district's exemption request to ADE for all food-related fundraisers, intended for consumption on school campus during the school day, that do not meet the Smart Snacks guidelines.			
\Box 'Infrequent' as it relates to exempt fundraisers means: not more than 1 x per year			
□ An appropriate short duration for exempt fundraisers is defined as:			
Notifying the Public of Fundraising Policy			
The district fundraising policy is distributed to all parents/guardians.			
The district has established additional guidelines for fundraising:			
Healthy fundraising options are encouraged in place of exempt fundraisers	x	x	
Guideline:			
Guideline:			

DISTRICT POLICY: FOOD AND BEVERAGE MARKETING	Year 1	Year 2	Year 3
Schools that allow marketing of food and beverages to students must include plans and policies that allow the marketing of only those foods and beverages that may be sold on the school campus during the school day (i.e. that meet the USDA's Smart Snacks in Schools) LEAs have the discretion to enact broader policies that address marketing that occurs at events outside of school hours.	in compliance	in compliance	in compliance

All foods and beverages advertised on the school campus during the school day meet or exceed the USDA Smart Snacks in School nutrition guidelines. These guidelines apply to (Check all that apply)			
School equipment such as marquees, message boards, scoreboards, busses etc.	X	х	
Cups used for beverage dispensing, menu boards, coolers, trach cans, and other food service equipment	х	х	
Posters, book covers, school supplies displays etc.	х	x	
Advertisements in school publications or mailings	х	x	
Free product samples, taste tests, or coupons of a product or free samples displaying advertising of a product	x	x	

III. DISTRICT WELLNESS COMMITTEE

The District is required to convene a representative district wellness committee that meets to establish goals and oversee school health and safety policies and programs, including development, implementation and periodic review and update of this district-level wellness policy. Schools also have the option of establishing wellness teams.

COMMITTEE ROLE AND MEMBERSHIP	Year 1		Year 2		Year 3	
	YES	NO	YES	NO	YES	NO
The school within the district has an on-going school wellness committee (School Health Advisory Committee- SHAC) to review school-level, health related issues in coordination with the DWC.	x		x			

LEADERSHIP	Yea	Year 1		ar 2	Yea	ir 3
The district must designate one or more LEA and/or school official(s) who have the authority and responsibility to ensure each school complies with the local wellness policy.	YES	NO	YES	NO	YES	NO
Each school has designated a wellness policy coordinator who will ensure compliance with the policy at the school level. Position/Title of the designees is Wellness Coordinator	x		x			

IV. IMPLEMENTATION, MONITORING, ACCOUNTABILITY AND NOTIFICATION

IMPLEMENTATION PLAN	Year 1		Yea	ar 2	Yea	ir 3
Once the wellness policy is written, the district will need to communicate to the goals and policies to all schools. Schools will then implement the policies and begin working toward the goals as appropriate. The implementation of the policies should be consistent across all schools, but the actions that work toward meeting the goals may vary from school to school.	YES	NO	YES	NO	YES	NO

School conducted a school-level assessment prior to developing an implementation plan. The assessment used was:				
☑ The Alliance for a Healthier Generation Healthy Schools Program				
☑ The School Health Index	х	х		
□ Action for Healthy Kids Game On program				
□ Other:
