Concordia Charter School, Inc. has one or more schools that participate in Special Provision II Eligible Provision. This alternative is referred to as Provision II or CEP. All students enrolled at Concordia Charter School, in Mesa, AZ, may participate in the School Breakfast Program and the National School Lunch Program at no charge.

Studies show that children who are not hungry perform better in school. By providing both breakfast and lunch at no cost to students, we are helping to create a better learning environment. The school meals that we serve follow U.S. Department of Agriculture guidelines for healthy school meals. The School Breakfast and Lunch Programs cannot succeed without your support; please encourage your children to participate in the school meals programs.

Household applications will be distributed and are needed to determine the school's base year data, but all students regardless of their eligibility or household meal benefit application will receive school meals at no charge. The application requesting economic information supports many programs at our schools. Please complete and return the forms. Only one per family is needed.
