Dear Parent/Guardian and Students,

It is a pleasure to welcome you to Concordia Charter School! We begin our 14th year in 2020! While we were not able to properly finish off our 2019/2020 school year because of the school's closure due to the COVID-19 crisis and the start of our 20/21 school year is still uncertain, know that the teachers and staff have been busy planning for the future when it is safe to return to school in person. We begin the year with distance learning as our only option. Know that we are all here for everyone of our families and will continue to work hard to provide the best education to each and everyone of our students.

Concordia Charter School, Inc.

Mission:

The mission of Concordia Charter School (CCS) is to provide families with a choice for high quality educational opportunities for their children in a caring, nurturing environment.

Vision:

In order to carry out its mission Concordia Charter School will:

- Develop and operate a K-6 charter school program on the west side of Mesa, Arizona
- Educate children, regardless of ethnic, cultural, or social-economic class, to become fully literate, productive citizens of our society.
- Offer children opportunities to excel beyond the guidelines outlined in the Arizona State Educational Standards.
- Create a nurturing environment for learning.
- Create and nurture meaningful relationships with parents so they can be a partner in their child's education.

PHILOSOPHY:

The Philosophy of Concordia Charter School is grounded in the belief that all children have a right to quality education. These principles arise from an understanding of human beings as whole persons in light of their relationship to their creator, themselves, their families, and the society in which they live. Through our actions, we affirm these principles:

- We believe all children can learn.
- We believe children learn in unique ways and at different rates.
- We believe all children can excel if given the opportunity.
- We believe parents have an important role to play in the education of their children.
- We believe quality education need not cost more if done correctly.
- We believe all children, regardless of their ethnic, cultural, or social-economic class, deserve an education that prepares them to be literate members of our society.
- We believe all children deserve an opportunity to choose a school that best serves their educational needs within a value set that honors their cultural identity.
- We believe all children deserve to be loved and cared for.

VALUES:

The statement of Values of covenant Community Schools serves as an internal compass to guide our relationships and actions:

- ***Equality*** We affirm the worth and spiritual freedom of each person and treat all people with respect, integrity, and dignity.
- ***Compassion*** We embrace the whole person and respond to emotional, ethical and spiritual concerns, as well as educational needs in our commitment to unselfishly care for others.
- ***Excellence*** We empower people to continually improve the outcomes of our service, to advance quality and to increase innovation and openness to new ideas.
- ***Partnership*** We collaborate as staff, teachers, volunteers and community leaders to utilize the talents and creativity of all persons.
- ***Stewardship*** We are responsible and accountable for all we are, have and do.

GUIDING PRINCIPLES: HOW WE WANT OUR STUDENTS TO FEEL

- I can do this.
- My presence and contributions matter and are appreciated.
- I feel safe.
- I have ownership of my body and voice.
- I know I can be successful in this space; the people here want me to succeed and will support me in doing so.
- I feel welcomed, cared for, and respected.
- I am acknowledged, I am seen, and I belong here.
- I can be myself.
- My voice and opinion matter, and are respected.
- The space, people, and structures are fair to me.
- I have the ability to grow and develop my skills, knowledge, and abilities through effort and practice.
- It is okay not to know.

ENROLLMENT PROCESS – 2021/2022 SCHOOL YEAR

Concordia maintains an open admissions policy for all kindergarten to 6th-grade students. Concordia does not discriminate on the basis of race, gender, national or ethnic origin in the administration of any of its policies or any school-administered programs. Anyone interested in attending is required to complete an enrollment registration form, provide a copy of the student's Immunization Record (see detailed information below) and a certified copy of the student's birth certificate or other reliable proof of the pupil's identity and age within 30 days. On the failure of a person enrolling a pupil to comply with subsection A or B of state law ARS §15-828, Concordia Charter school shall notify that person in writing that, unless the person complies within ten days, the case shall be referred to the local law enforcement agency for investigation. If compliance is not obtained within the ten-day period, Concordia Charter School shall refer the case to the local law enforcement agency.

While Concordia makes every attempt to accommodate all students seeking enrollment, the receipt of a registration form in no way guarantees immediate admission. When the demand for enrollment exceeds the enrollment limits, a waiting list is established based on the student's registration date. When there are two or more "applicants" with the same registration date and only a limited number of openings, a lottery is conducted to determine the next student to be enrolled. Parents will be called and notified of an opening.

THE McKINNEY-VENTO HOMELESS ASSISTANCE ACT

A part of the ESSA legislation defines homeless children and youth as individuals who lack a fixed, regular and adequate nighttime residence...and includes, sharing the housing of other persons, living in hotels or motels, trailer parks or camping grounds, living in emergency or transitional shelters, are abandoned in a hospital or awaiting foster care placement, or who have a primary nighttime residence that is a public or private place not

designed for or ordinarily used as a regular sleeping accommodation for human beings, or living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations or similar settings, and migratory children who qualify as homeless because they are living in the circumstances described above.

Families and youth experiencing homelessness often do not have the documents ordinarily required for school enrollment. The McKinney-Vento act requires schools to immediately enroll homeless students even if they do not have required documents, such as school records, medical records, proof of residency, or other documents. The term “enroll” is defined as “attending classes and participating fully in school activities.” The act further requires the school’s homeless liaison to immediately assist in obtaining immunizations or medical records for those students who do not have them.

HEALTH, SAFETY & SECURITY

Concordia adheres to all admission requirements provided by Arizona’s Department of Health Services. Pursuant to A.R.S. §15-872(E) states that a pupil may be admitted to or allowed to attend a school if the pupil has received at least one dose of each of the required immunizations prescribed pursuant to A.R.S §36-672 and has established a schedule for the completion of required immunizations. Documentary proof is not required for a pupil to be admitted to school if one of the following occurs: · The parent or guardian of the pupil submits a signed statement to the school administrator stating that the parent or guardian has received information about immunizations provided by the department of health services and understands the risks and benefits of immunizations and the potential risks of non-immunization and that due to personal beliefs, the parent or guardian does not consent to the immunization of the pupil. · The school administrator receives written certification that is signed by the parent or guardian and by a physician or a registered nurse practitioner that states that one or more of the required immunizations may be detrimental to the pupil’s health and that indicates the specific nature and probable duration of the medical condition or circumstance that precludes immunization. · Homeless pupils have until the fifth calendar day after enrollment to provide proof of immunization.

Concordia asks all parents to be responsible by immediately contacting their child’s school to report any illness that may be considered a communicable disease (e.g., chickenpox, hepatitis, meningitis, etc.). The information gained will be used for the sole purpose of protecting the safety and well being of Concordia’s students and staff.

Any student or parent who has concerns regarding the safety of the school and its students are encouraged to call Concordia and provide the school with sufficient information (specific concern, name of involved students, location the incident occurred and the time). With this information, the staff can investigate the concern. There is no requirement for the person reporting the concern to identify him or herself.

Please keep me home: If I have a fever of 100 or more, diarrhea, vomiting, eye infection.

DRESS AND APPEARANCE:

All students are required to wear their school uniform before entering Concordia Charter School. Parents are responsible for providing their school uniform. If there is a financial need, please come into the office and speak with Ms. Alicia. **Students will be sent home if not in uniform, THERE WILL BE NO EXCEPTIONS.**

Uniform Shirt:

- Short-sleeved **red, white** or **navy blue** Polo style shirt. No logos, advertising or insignias are permitted.

Uniform Pant/Short/Skirt:

(See restrictions listed below)

- **Navy, black** or **khaki** Solid Colored fitted pants, shorts, skirt or skort
- **All students will wear socks and closed toes shoes every day.**

Restrictions:

- Pants, shorts, and skirts should be made of fabric similar in style to Dockers.
- Pants must be worn at the waist; belts should be worn whenever necessary.
- Pants should be of an average leg width.
- Shorts can only be 3 inches above the knee.
- Skirts are permitted when worn at the knee and are made of non-clinging fabric. Side, back, and front "slits" cannot extend higher than 3 inches above the knee.

STUDENT RESPONSIBILITIES

Technology Accountability:

Concordia provides the students with access to computers in the classroom. These computers may have Internet access. Students and parents should understand that files accessed, downloaded or stored on school servers are not private; all Internet communications are public in nature. Students may come in contact with materials that may be controversial or inaccurate from anywhere around the world. Concordia will make all reasonable attempts to provide internal security on Internet content. However, Concordia has no control over the nature or content of information residing on other computer systems and disclaims any responsibility to exercise such control. Parents may revoke their child's Internet privileges at any time by notifying the school's principal in writing.

Abuse in the technology area includes **but is not limited to:**

- Sending, accessing, downloading, or displaying offensive messages or pictures. This includes but is not limited to drugs, alcohol, sites or messages that are sexual in nature, sites, and messages that promote racial or ethnic violence or hatred, sites and messages that promote gang activity.
- Damaging computers, systems or networks
- Violating copyright laws
- Using another person's password, trespassing into others' folders, work or files
- Using the network for commercial purposes
- Violation of software registration, pirating of software (the illegal copying of licensed software)

- Providing personal information such as names, addresses, phone numbers, or credit card numbers

STUDENT CONDUCT

While students are in uniform, they are considered to be representatives of Concordia and its high standards. Concordia students are expected to follow all school policies and adhere to all conduct expectations.

Harassment:

Every student is entitled to learn in an environment that is free from threats and intimidation. In order to create and maintain such an environment, students are expected to behave in a manner that is respectful of other students' rights. Behavior that is in any way (physically, emotionally or verbally) threatening or intimidating will not be tolerated and will result in disciplinary action. Issues of intimidation and threats of violence will be dealt with as identified in the Arizona Penal Code. Concordia maintains the right to contact the police when the staff deems it necessary.

ALL harassing behavior will be the subject of disciplinary action. The severity and nature of the harassing behavior will be handled on a case-by-case basis and may lead to suspension or expulsion.

Sexual Harassment:

All individuals associated with this District, including, but not necessarily limited to, the Governing Board, the administration, the staff, and students, are expected to conduct themselves at all times so as to provide an atmosphere free from sexual harassment.

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when made by a member of the school staff to a student or to another staff member, or when made by a student to another student where:

- **Submission to such conduct is either explicitly or implicitly made a term or condition of an individual's employment or education; or**
- **Submission to or rejection of such conduct is used as a basis for employment or education decisions affecting such individual; or**
- **Such conduct has the purpose or effect of substantially interfering with an individual's educational or work performance or creating an intimidating, hostile, or offensive employment or educational environment.**

Sexual harassment may include, but is not limited to:

- **Suggestive or obscene letters, notes, invitations, derogatory comments, slurs, jokes, epithets, assault, touching, impeding or blocking movement, leering, gestures, or display of sexually suggestive objects, pictures, or cartoons.**
- **Continuing to express sexual interest after being informed that the interest is unwelcome. (Reciprocal attraction between peers is not considered sexual harassment.)**

- **Implying or withholding support for an appointment, promotion, or change of assignment; suggesting that a poor performance report will be prepared; suggesting that probation will be failed; implying or actually withholding grades earned or deserved, or suggesting that a scholarship recommendation or college application will be denied.**
- **Coercive sexual behavior used to control, influence, or affect the career, salary, and/or work environment of another employee; or engaging in coercive sexual behavior to control, influence, or affect the educational opportunities, grades, and/or learning environment of a student.**
- **Offering or granting favors or educational or employment benefits, such as grades or promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications, et cetera, in exchange for sexual favors.**

Anyone who is subject to sexual harassment, or who knows of the occurrence of such conduct, should inform the compliance officer.

A substantiated charge against a staff member in the District shall subject such staff member to disciplinary action.

A substantiated charge against a student in the District shall subject that student to disciplinary action, which may include suspension or expulsion.

All matters involving sexual harassment complaints will remain confidential to the extent possible.

Tobacco:

Concordia is a tobacco and smoke-free educational institution. In accordance with Concordia policies and the laws of Arizona, smoking and the possession of tobacco products on school premises are strictly forbidden. All tobacco products found will be confiscated immediately. This policy includes vapor cigarettes.

Alcohol:

Concordia maintains a zero-tolerance policy regarding the possession of alcohol on school premises. Students who violate this policy are subject to prosecution under the Arizona Penal Code and **will be expelled**. Any student that attends school while under the influence of alcohol is subject to disciplinary action that may include but is not limited to a Long Term Suspension. The severity of discipline will remain at the discretion of the Principal. Parents will be called and asked to come to school for a conference immediately and to remove the student from the school. The student may be asked to submit to a “drug screen” if the Principal deems the request to be necessary.

Drugs:

Concordia maintains a zero-tolerance policy regarding the possession of drugs on school premises. Students who violate this policy are subject to prosecution under the Arizona Penal Code and **will be expelled**. Any student that attends school while under the influence of an illegal substance or mood-altering chemical is subject to a drug screening (see “Drug Testing” in the “Consequences for Misconduct” section for additional information) and disciplinary action that may include, but is not limited to, a Long Term Suspension. The

severity of the disciplinary action is at the discretion of the Principal. Parents will be called and asked to come to school for a conference immediately and to remove the student from the school.

Weapons:

Concordia maintains a **zero-tolerance policy** regarding the possession of any weapon on school premises. Students who violate this policy will face immediate disciplinary action and may face prosecution under the Arizona Penal Code. **Firearms:** Concordia's zero-tolerance policy is in accordance with Arizona State's "Gun-Free School Act" (ARS §15-841G) as well as the Federal Statute; 20USC8921(d)). **Students who violate this policy will face immediate expulsion.**

Consequences for Misconduct

Logical Consequences:

Concordia uses a system of rules and logical consequences based on the Responsive Classroom approach. The goal of this system is to keep all students in class and learning while helping them to take responsibility for their own behavior. Students and teachers work together to create rules for their classroom, which all agree to follow. When a mistake is made, logical consequences are in place to deal with the inappropriate behavior and ensure that the classroom is a safe learning environment for all. These consequences include:

Take-a-Break:

Meant to be used proactively and for minor issues, take-a-break is an opportunity for students to gather their thoughts in a quiet place and prepare to return to the group. Most students rarely move beyond take-a-break.

Loss of Privilege:

Students who exhibit out of control or continued disruptive behaviors may lose a privilege. These privileges could include working with the group in class, attending a special activity, choice time in class, or recess.

At Concordia, our highest priority is the safety of all students and staff. For students who have ongoing, persistent behavior problems, or for students who exhibit unsafe or out of control behaviors that threaten the safety of others, there are more severe consequences.

These may include:

- **Student Jobs Contract:** Students who have consistent, ongoing problems that disrupt the learning of themselves or others and have exhausted the classroom logical consequences may be asked to enter into a Jobs Contract with the teacher. In this process, the student, teacher, and parent discuss specific student goals in school, some examples of what these goals look, sound, and feel like, and celebrations to be put in place for when the student meets these goals.
- **In-School Suspension (ISS):** Continued behavior problems may result in in-school suspension, in which a student is removed from his or her class to a location where he or she can work alone. The duration of an ISS can be one to three days. The goal

of ISS is to promote self-exploration and offer an opportunity for the student to examine the behavior choices he or she has made. ISS is structured and supervised to limit the student's contact with others. Concordia will make all reasonable efforts to keep parent(s) fully informed of the student's progress and status.

- **Detention:** This disciplinary action may be utilized when a student consistently wastes time during the school day or needs extra time outside of the school day to resolve an issue. Parents are informed of the behavior, and a detention time is scheduled beyond the school day.
- **Out of School Suspension (OSS):** This disciplinary action is utilized for actions that are serious enough in nature for the student to have to take a couple of days away from school to reflect on the choices they have made. Parents are informed of the behavior, and the amount of time the students have to stay away from school.
- **Expulsion:** An expulsion is for actions so serious in nature that the student will not be allowed to re-enter any Concordia campus. Expulsion is the final step in disciplinary action. It is used in extreme cases when all other actions have failed or are considered inappropriate. An expelled student can be refused admission to any public school in the state of Arizona.

Due Process:

Appeals must be submitted in writing to the Principal detailing specific concerns.

Instruction/Curriculum

The Arizona College and Career Ready Standards will be the basis for the core of all instruction in all of the academic components. Each student will be given the opportunity to master the standards in all content areas. The objective of the school curriculum is to equip students with the knowledge necessary to master life, prepare students for success in college, inspire a lifelong love of learning, and foster responsible citizenship. The skills of reading, writing, abstract reasoning, and math are emphasized. The curriculum is designed to establish a balanced, well-rounded education in the following areas:

- **Early Kindergarten, Kindergarten:** Phonics, Reading, Math, Writing, Social Studies, Science, Art, Music, Computer Science
- **Grades 1–6:** English, Math, Reading, Writing, Social Studies, Science, Art, Music, Computer Science

Concordia Charter School uses the highly acclaimed **Core Knowledge curriculum**. The **Core Knowledge Foundation** is a nonprofit organization that offers a rich curriculum, classroom materials, and professional development for teachers. The Foundation's Mission is to "offer all children a better chance in life and create a fairer and more literate society by educating America's youth in a solid, specific, sequenced, and shared curriculum."

Saxon Math is designed to get kids engaged in mathematics while still teaching them what they need to know. The **Saxon Math** curriculum has an incremental structure that distributes content throughout the year. This integrated and connected approach provides deep, long-term mastery of the content and skills called for in the Arizona Career and College Ready Standards.

Core Knowledge Language Arts is a part of the Core Knowledge curriculum described above. It is divided into two strands, which makes learning to read fun and interesting for every child. The first strand is called the Skills Strand and this is where the students are learning how to decode and get the basics of reading down. The students will learn how to blend, what sounds the letters make, and what the letter names are. The second strand is called the Listening and Learning Strand, and this is where the students are being read stories aloud from the teacher. Both of the components are very important in helping a child learn to read.

Field Trips

Field trips are an extension of the classroom into the real world of experience. There are walking and bus field trips. The trips are designed to supplement the classroom curriculum and to introduce students to resources in our community. Parents will receive advanced notice of all field trips.

Field trips, student activities, and extracurricular programs are an integral part of the instructional program of Concordia Charter School. They relate to approved courses of study and enrich learning opportunities for students. **Attendance on field trips is highly encouraged. It is the expectation that ALL students participate in ALL classroom field trips.**

Field trips should be considered “school-off-school-grounds.” We have high expectations concerning student behavior. All school rules apply.

Field trips are a privilege. Should a student’s attitude or behavior not meet building-wide/classroom expectations, he/she may be denied the privilege of going on a scheduled field trip. In the event, this is decided, the student will remain at home while the class is on the field trip. Should a student’s behavior be deemed unacceptable while on a field trip, the student will be removed from the experience and brought back to the school campus and the child’s parent notified of the need to pick up student immediately.

- All students have parent/guardian permission for trips.
- All trips are properly supervised.
- All safety precautions are observed.
- All trips contribute substantially to the educational program.
- All trips allow equal access and reasonable accommodations, financial and other, by all interested students.

6th Grade Science Camp

An integral component of the 6th grade Science curriculum is attendance at 6th grade Science Camp. The camping experience usually occurs in the 2nd week of May. Successful completion of the camp experience is designed to fulfill the Arizona State Department of Education 6th Grade Science Standards. **Attendance at science camp is important. It is the expectation that ALL 6th-grade students attend Science Camp. Students who do not attend will be required to complete a 1-page research paper on each Science standard to fulfill the 6th grade Science standards requirement.**

The cost of the camp is covered by the school. To help defray the cost of the camp, 6th-grade students will be encouraged to participate in some afterschool fundraising activities. This is generally a one afternoon per week event.

Students are responsible for providing their own bedding and personal toiletries for camp. Should the student need help with either of these items, please contact the school office, and provisions will be made.

6th Grade Science Camp should be considered “school-off-school-grounds.” We have high expectations concerning student behavior. All school rules apply.

Participation in 6th Grade Science Camp a privilege. Should a student’s behavior be deemed unacceptable while at camp, the student will be removed from the experience and brought back to the school campus and a parent notified of the need to pick up student immediately. Students are prohibited from bringing cell phones, tablets, game boys and computers to camp. Should a student be found in possession of such items at camp, the student will be removed and brought back to the school campus and a parent notified of the need to pick up student immediately.

6th grade Science Camp is scheduled at the end of the school year and is considered the culmination of the student’s 6th-grade year. Any student who does not attend or is removed from camp for disciplinary actions will end their school year immediately. The student will not be allowed back on campus for the remainder of school year activities, including participation in 6th Grade Promotion Night. While the student will most likely be promoted to 7th grade, their overall science grade will be negatively affected.

House Bill 2732 – Schools; 3rd Grade Retention

(Laws 2010, Chapter 296)

Beginning in the 2010-2011 school year requires school districts and charter schools to provide annual written notification to parents of students in kindergarten through 3rd grade that a pupil who obtains a score on the reading portion of the AIMS test, or a successor test, that demonstrates the pupil’s reading falls below the 3rd-grade level will not be promoted from the 3rd grade.

Third Grade Reading Requirement

Arizona State Statute [15-704](#) requires school districts and charters to provide effective reading instruction, with initial screening; on-going diagnostic and classroom based reading assessments, and a system to monitor student progress.

Arizona’s revised statute [15-211](#) requires all school districts and charters with a K-3 program to submit a comprehensive plan for reading instruction and intervention across grade kindergarten through grade three. State funding is provided to schools to support the implementation of their K-3 reading plan. The goal is to have all grade three students in Arizona reading proficiently at grade level.

Arizona Revised Statute [15 – 701](#) states that if data on the third grade statewide reading assessment is available and demonstrates that a student scored “falls far below” the student shall not be promoted from the third grade. There are two exemptions in Arizona Revised

Statute 15-701. In accordance with the new law, a school district governing board or the governing body of a charter school is allowed to promote a student who earns a score of “falls far below” on the third grade statewide reading assessment only for the following reasons:

- The student is an English Language Learner or Limited English Proficient who has received less than two years of English instruction; or
- A student with disabilities has an individualized education plan(IEP), and the IEP-team, which includes the student’s parent/guardian, agrees that promotion is appropriate students in the process of a special education referral or evaluation for placement in special education and/or students that have been diagnosed as having a significant reading impairment, including dyslexia. The bill defines “dyslexia” as a brain-based learning difference that impairs a person’s ability to read and spell, that is independent of intelligence and that typically causes a person to read at levels lower than expected.

Concordia Charter School, Inc. after consultation with parents and teachers, reserves the right to promote any student when it determines it is in the best interest of the child.

Progress/Report Card:

Progress and Report Cards are sent home three times a year. Please refer to the school calendar for dates.

Attendance/Tardiness:

Teachers will enter their attendance into the office by 8:45a.m. We expect students to be at school by 8:15a.m. each day. Students who are tardy (after 8:25a.m.) must have an admit slip from the office.

Absences:

Pursuant to A.R.S. §15-901(A)(2), “...excused absences shall be identified by the Department of Education...”. The Department of Education defines an excused absence as being an absence due to illness, doctor appointments, bereavement, family emergencies, and out-of-school suspensions not to exceed 10% of the instructional days scheduled for the school year.

Pursuant to A.R.S. §15-806, “the governing board of each school district shall adopt a policy governing the excuse of students for religious purposes. Concordia Charter School permits a student to be excused from school attendance for religious purposes, including participation in religious exercises or religious instruction. For participation in religious activities to be considered an excused absence a written consent from the person who has legal custody of the student and the religious instruction or exercises must take place at a suitable place away from school property. Pursuant to Op.Atty.Gen. No. R76-292, the total

number of days of excused absences for religious purposes shall be reasonable and not abused.

Pursuant to A.R.S. §15-803(A)(2), in order for any of the above absences to be excused, a child who is under 16 years of age must be accompanied by a parent, guardian, or authorized person. In order for absences relating to illness, doctor appointment, bereavement, family emergencies, or district-approved family vacation to be counted as excused absences, the school must be notified of the absence prior to the absence or when the absence occurs by the parent or legal guardian who has custody of the student. The school will document on paper or paperless format the date and reason for the absence. The documented record shall be maintained for not more than four (4) years. If an absence occurs relating to any other term or condition that is not specifically designated herein, the absence shall be counted as unexcused. Students absent for ten (10) consecutive school days, except for excused absences identified herein, shall be withdrawn from the school, pursuant to A.R.S. §15-901 (A)(2).

All absences are to be verified by a call to the school office from a parent or guardian before 9:30 am on the day of the absence. This includes all absences due to medical and dental appointments and for all absences. Students who are dismissed from school early for any reason must sign out in the office. The answering machine will be available before and after school hours for anyone who would like to leave a message. Please leave your name, student name, grade, date and reason for absence.

PUBLIC NOTICES

Child Abuse/Neglect Reporting Requirements:

Concordia and its staff are required by state law to report any suspected incidents of child abuse or neglect. This includes those minor students who are engaged in a relationship with an individual who has attained his or her majority (age 18 or older). This reporting requirement is non-negotiable, and Concordia supports the reporting requirement. Additional reporting is mandated if the birth certificate is not received within 10 days of the students first day of attendance, Concordia is mandated by state law §15-828(D) to report to the local law enforcement agency (police and/or child protective services) that the student may be a missing, abducted or exploited child. Once a report is made to Child Protective Services or the police department the responsibility to notify parents of the report falls on those agencies, in no way is Concordia or its staff responsible for notifying parents of the report.

Childfind:

The school is responsible for identifying, locating, and evaluating all children with disabilities within the community they serve, including children aged 3 to 21 and for referring children

from birth through 2 years of age to Arizona Early Intervention Program (AzEIP) for evaluation and appropriate services.

Rules Governing Special Education:

On May 19, 2003, the State Board of education approved changes to the rules that govern special education in Arizona. Among the changes implemented the following became effective and is in compliance with federal requirements (R7-2-401(I)(2): "Parents shall be fully informed about the requirements of IDEA (Individuals with Disabilities Education Act) 300.127, including an annual notice of the policies and procedures that the PEA (Public Education Agency) must follow regarding storage, disclosure to a 3rd party, retention, and destruction of personally identifiable information."

This change will not affect the current practices of Concordia. As in the past, Concordia will continue to provide parents/students with policies and procedures, including those governing record retention, storage, information disclosure, and destruction of any personally identifiable information. Please contact your school's Special Education Department for more information.

Notification Regarding Rights to View Instructional Staff's Credentials

Concordia provides an opportunity to review any instructional staff member's resume upon request. Please contact your Principal to set up an appointment.

Annual Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) afford parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the Educational Services Department a written request that identifies the record(s) they wish to inspect. The Educational Services Department will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask to amend a record that they believe is inaccurate or misleading. They should write the Educational Services Department, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorized disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official

is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member; a person serving on the School Board; a person or company with whom the Charter School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the Charter School discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605

Annual Notification to Parents Regarding the Confidentiality of Student Education Records

Concordia has established written policies regarding the collection, storage, retrieval, use, and transfer of student education information collected and maintained pertinent to the education of all students to ensure the confidentiality of the information and to guarantee parents' rights of privacy. These policies and procedures are in compliance with:

- The Family Education Rights and Privacy Act; Title 20, United States Code, Sections 1232g and 1232h, and the Federal Regulations (34 CFR, Part 99) issued pursuant to such Act;
- The Education of all Handicapped Students Act; Title 20, United States Code, Sections 1412 (2) (D) and 1417 (C); and the Federal Regulations (34 CFR 300.560-300.574) issued pursuant to such Act; and
- Arizona Revised Statutes, Title 15- Section 141.

Student education records are collected and maintained to help in the instruction, guidance, and educational progress of the student; to provide information to parents and staff; to provide a basis for the evaluation and improvement of school programs; and for legitimate educational research. The student records maintained by the district may include, but are not necessarily limited to, identifying data; report cards and transcripts of academic work completed; standardized achievement test scores, attendance data; reports of psychological testing; special education records; health data; teacher or counselor observations; and verified reports of serious or recurrent behavior patterns.

These records are maintained in the Corporate Office of Concordia under the supervision of the Educational Services Coordinator and are available to the teachers and staff working with the student. If your son/daughter should transfer to another school, these records will

be sent to the new school upon their request. Otherwise, records are not released to most agencies or persons without prior written consent of the parent.

You have the right to inspect and review any and all records related to your student, including a listing of persons who have reviewed or have received copies of the information. Parents wishing to review their student's records should contact the Registrar for an appointment. School personnel will be available to explain the contents of the records to you. Copies of student's education records will be made available to parents when it is not practicable for them to inspect and review the records at the school. Charges for copies of records will be twenty-five cents per page.

If you believe the information in the record file is inaccurate or misleading, you have the right to request that a correction be made or to add comments of your own. If, at any time, an agreement between the Principal and parent cannot be reached, contact the Concordia Corporate Office and request a meeting with the Educational Services Coordinator.

You will be informed when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to your student.

Copies of the Student Education Record Confidentiality Policies and Procedures may be reviewed in the Special Education office. Federal law also permits a parent to file a complaint with the Family Education Rights and Privacy Act Office in Washington, D.C.

INTERNET SAFETY POLICY

For Concordia Charter School

Introduction

It is the policy of **Concordia Charter School** to (a) prevent user access over its computer network to (or transmission of) inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activities; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children's Internet Protection Act [Pub. L. No. 106-554 and 47 USC 254(h)] and FCC Ruling 11-125.

Definitions

Key terms are as defined in the Children's Internet Protection Act.

Access to Inappropriate Material

To the extent, practical, technology protection measures (or "Internet filters") shall be used to block or filter the Internet (or other forms of electronic communications) access to inappropriate information.

Specifically, as required by the Children's Internet Protection Act, blocking shall be applied to visual depictions of material deemed obscene or child pornography, or to any material deemed harmful to minors.

Subject to staff supervision, technology protection measures may be disabled or, in the case of minors, minimized only for bona fide research or other lawful purposes.

Inappropriate Network Usage

To the extent practical, steps shall be taken to promote the safety and security of users of the **Concordia Charter School** online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications. Specifically, as required by the Children's Internet Protection Act, prevention of inappropriate network usage includes: (a) unauthorized access, including so-called 'hacking,' and other unlawful activities; and (b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

Supervision, Monitoring, and Education

It shall be the responsibility of all members of the **Concordia Charter School** staff to educate, supervise, monitor all users as to the usage of the online computer network and access to the Internet in accordance with this policy and the Children's Internet Protection Act. Education should specifically address the following issues as stated in FCC 11-125:

- The education of minors about appropriate online behavior, including interacting with other individuals on social networking sites and in chat rooms
- Safety/security of minors when using e-mail, chat rooms, other direct electronic communications
- Unauthorized access, including "hacking" and other unlawful activities by minors online
- Unauthorized disclosure, use, and dissemination of personal information regarding minors
- Cyberbullying awareness and response

Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of the **school director** or designated representatives.

Adoption

The Board of **Concordia Charter School** adopted this Internet Safety Policy at a public meeting, following normal public notice, on **May 24, 2012**.

CIPA definitions of terms:

TECHNOLOGY PROTECTION MEASURE. The term "technology protection measure" means a specific technology that blocks or filters Internet access to visual depictions that are:

1. **OBSCENE**, as that term is defined in section 1460 of title 18, United States Code;
2. **CHILD PORNOGRAPHY**, as that term is defined in section 2256 of title 18, United States Code; or
3. Harmful to minors.

HARMFUL TO MINORS. The term "harmful to minors" means any picture, image, graphic image file, or other visual depiction that:

1. Taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;
2. Depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and
3. Taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

SEXUAL ACT; SEXUAL CONTACT. The terms “sexual act” and “sexual contact” have the meanings given such terms in section 2246 of title 18, United States Code.

LOCAL WELLNESS POLICY

Nutrition Promotion & Education

Concordia aims to provide students with the knowledge and skills necessary to promote and protect their lifelong health. The school will provide nutrition education and engage in nutrition promotion that:

- promotes fruits, vegetables, whole grain products, low-fat and fat-free dairy products, healthy food preparation methods, and health-enhancing nutrition practices (i.e., posters/displays, FFVP);
- is part of not only nutrition education classes, but also classroom instruction in subjects such as math, science, language arts, social sciences, and elective subjects;
- includes enjoyable, developmentally-appropriate, culturally-relevant, participatory activities, such as contests, promotions, taste testing, farm visits, and school gardens;
- links with school meal programs, Fresh Fruit and Vegetable Program (FFVP), and nutrition-related community services;

Specific strategies:

- Strong student participation in Child Nutrition Programs (School Breakfast, National School Lunch Program) will be encouraged through multi-platform promotional information
- Participation in the Community Eligibility Provision (CEP), beginning in SY19, will allow greater access for all students to receive school meals at no charge; no household applications will be collected
- 100% of foods and beverages promoted to students will meet the USDA’s Smart Snacks in Schools standards
- Monthly menus will be distributed to each student, will be posted in the main hallway and cafeteria, and will be shared on the school’s website
- A minimum of ten Smarter Lunchroom Techniques will be implemented throughout the school year
 1. A variety of whole fruits will be displayed in attractive bowls or dishes
 2. At least two types of vegetables will be offered daily
 3. White milk will be offered in all beverage coolers

4. A self-serve “flavor station” will be available to students as appropriate
 5. Creative, descriptive names will be used on the menu
 6. A sample tray or photo of the daily reimbursable meal will be displayed
 7. A menu board, readable from 5 feet away, will feature meal options with creative names
 8. Menu choices will be included in daily announcements by teachers and/or administrators
 9. Students will be involved in creating artwork and marketing materials to promote menu items
 10. Recess will be provided before lunch
- Monthly health education lessons will be provided in each grade level that cover topics that may include the following:
 1. Food guidance from MyPlate
 2. Reading and using the FDA’s nutrition fact labels
 3. Balancing food/caloric intake and physical activity/energy expenditure
 4. Eating more fruits and vegetables and whole-grain products
 5. Choosing foods and beverages with little added sugar
 6. Preparing healthy meals and snacks
 7. Food safety
 8. Importance of water consumption
 9. Importance of eating breakfast
 10. Reducing sodium intake

Physical Education & Physical Activity

- Physical activity during the day (including, but limited to recess, classroom activity breaks, or physical education) will NOT be used or withheld as punishment for any reason.
- Inventories of physical activity supplies and equipment will be accessible to staff and students and, when necessary, will work with community partners to ensure sufficient quantities of equipment are available to encourage physical activity for as many students as possible

Recess

- All students will receive at least 20 minutes of recess daily, independent of physical education classes
- Recess will be offered outdoors when weather is feasible
- Recess monitors will encourage students to be active and will serve as role models by being physically active along with students, when feasible
- To the extent practicable, the district will ensure that its grounds and facilities are safe and that equipment is available for all students to be active

Activity Breaks

- Students will be offered periodic opportunities to be physically active or to stretch throughout the day on all or most days during a typical school week
- Instructional staff will be provided with resources, tools, and technology with ideas for classroom physical activity breaks

Physical Education (PE)

- All students in each grade will receive PE for 25 minutes per week
- PE will promote student physical fitness through individualized fitness and activity assessments (via the Presidential Youth Fitness Program or other appropriate assessment tools)
- Students will be moderately to vigorously active for at least 50% of PE class time during most or all sessions
- PE instructional staff will participate in at least one professional development opportunity annually

Other School-Based Activities that Promote Student Wellness

- All school-sponsored events will adhere to the wellness policy guidelines
- School-sponsored wellness events will include physical activity and healthy eating opportunities
- The district will develop a relationship with community partners as appropriate, including hospitals, colleges/universities, local businesses, and SNAP-Ed providers
- Both digital and non-electronic platforms will be used to inform families of school-sponsored activities and deliver health & wellness resources and promotions
- The school will implement the following strategies to support staff in actively promoting and modeling healthy eating and physical activity behaviors:
 1. Instructional staff will lead and model positive FFVP distribution, consumption, and education
 2. All staff will avoid the consumption of unhealthy food and drinks (soda, chips, candy, fast food) in the presence of students
 3. Staff will be encouraged to participate in employer-sponsored programs that provide mutual accountability and recognition for specific health goals (i.e., step-counting, weight loss, smoking cessation, workout participation) throughout the year

School Meal Standards

- Meals will be accessible to all students
- Meals will be appealing and attractive to children;
- Meals will be served in clean and pleasant settings;
- Meals will be in compliance with all federal and state nutrition guidelines, specifically as defined in the Healthy, Hunger-Free Kids Act of 2010, and AZ Nutrition Standards as applicable;
- Students will be given a minimum of 10 minutes to eat breakfast and 20 minutes to eat lunch
- Students with special dietary needs will be accommodated as directed by appropriate medical professional guidance, within reason
- Meals will be served at reasonable and appropriate times of the day
- Lunch will follow recess to better support learning and healthy eating
- Free, potable water will be made available to all students during the meal period
- Water sources/containers will be maintained on a regular basis to ensure good hygiene and health safety standards

Competitive Foods and Beverages

- Food and beverages served outside the school meal programs will meet the USDA Smart Snacks in School nutrition standards, at minimum, or not be provided at all

Celebrations and Rewards

- Foods served to students will meet/exceed the Smart Snacks in School nutrition standards, per the Arizona Nutrition Standards (ARS 15-242)
- Celebrations that involve food during the school day will be limited to no more than two parties per class per school year
- Only store-bought food items are allowable for service
- Individual student birthday snacks and/or celebrations are not permitted
- Alternative celebration ideas are encouraged (see attachment)
- Food and beverages will not be used as rewards for academic performance or good behavior, and withholding food or beverages (including food served through school meals) will not be used as a punishment

Food and Beverage Marketing

- All food and beverages sold as fundraisers during school hours will meet USDA's Smart Snacks in Schools standards
- Exempt fundraisers outside of school hours may be allowed with approval, but Non-exempt fundraisers will be encouraged
- Healthy food, non-food items, and physical activity-based school fundraising activities will be encouraged
- Vending machines, a la carte items, concession stands, etc. are not used on campus

Wellness Advisory Board (WAB)

- A representative wellness board will be convened at least two (2) times per year
- The representation will include the following:
 - Teachers
 - Parents/Caregivers
 - School Nutrition staff
 - PE instructional staff
 - Administration
 - Community partners, when feasible
- The public will be notified of its ability to participate in the LWP process
- The designated WAB leadership will convene and facilitate the development of and updates to the wellness policy, and ensure compliance
- The designee is Mrs. Acosta, Wellness Coordinator, rgomezacosta@concordiacharter.org
- Other committee members include the following:
 - Ms. Roush-Meier, Director, mroushmeier@concordiacharter.org
 - Mrs. Buck, Teacher, pbuck@concordiacharter.org
 - Ms. Jesicka, Instructional Aide, jaguiar@concordiacharter.org
 - Mr. Doumouchel, Teacher, ddoumouchel@concordiacharter.org
 - Ms. "B", PE instructor, baleman@concordiacharter.org
 - Ms. Iris, Food & Nutrition Manager, itirado@concordiacharter.org

Implementation Plan

- ADE's assessment tool will be used to complete a policy review prior to the development of an implementation plan
- The plan will outline specific steps for execution of the wellness policy, including roles, responsibilities, actions, and timelines

Communication & Outreach

- Families and the public will be informed of the policy, its contents, updates, and implementation status on an annual basis through the school's website and parent handbook
- Additional communication platforms include email, announcements on monthly menus, bulletin board notices, social media, and printed information sent home with students
- Parents will be informed of the following:
 - Improvements to school meals standards
 - How to apply for meal benefits
 - Smart Snacks in Schools nutrition standards information
 - Policy updates and assessments
- Communications will include the following:
 - As much information as possible about the school nutrition environment
 - Information about events and activities related to wellness policy implementation
 - Names and contact information of wellness committee members
 - Information about how the public can get involved

Assessment & Updates

- Updates and modifications of the policy, based on assessment tools, will be made at least once a year and as-needed
- A Triennial assessment will assess the following:
 - Site-specific compliance
 - The extent to which the policy compares to the Alliance for a Healthier Generation's model policy
 - A description of the progress made in attaining specific goals
- Mrs. Acosta, Nutrition Services Director, will manage the assessment process
- Parents will be notified of the availability of the report

Recordkeeping

- Documentation kept in the front office will include the following:
 - Written wellness policy
 - Documentation of efforts to review and update the policy
 - The most recent assessment on the implementation of the policy
 - Documentation demonstrating the policy and the most recent assessment of implementation have been made available to the public, and in compliance with the annual public notification requirement

Local Wellness Policy and Farm-to-School- Action Plan

Concordia Charter School, Inc. seeks to grow student academic performance through whole-child wellness initiatives that create a positive and healthy learning environment on campus, as well as at home and in the community. Building a strong, integrated

Farm-to-School program is one way to accomplish this goal. Concordia, therefore, is committed to the following:

- Purchasing local food regularly for use in school meal programs and the FFVP
 - Buy American exemptions will be used as infrequently as possible while maintaining a wide variety of healthy produce throughout all growing seasons
 - Local is defined as 1st- grown in Maricopa County, 2nd- grown within Arizona, 3rd- grown within the region (southwest/western United States)
 - Annual evaluation of the percentage of locally-sourced purchasing will allow for greater accountability and goal setting, beginning in SY2020
- Promoting Arizona agriculture through nutrition education, bulletin board displays, meal service signage, and social media/website content
 - Celebrating October as Farm-to-School Month with weekly harvest promotions and an annual Family Wellness Night
 - Building relationships with local farmers and producers, and expanding the local procurement conversation
 - Participating in Arizona's Farm to School Network and other cooperative organizations (such as Sun Produce Co-Op)
- Creating a sustainable school garden program that is incorporated into the school's culture
 - Concordia Garden Board oversees the garden and is comprised of school staff, Master Gardener(s), community members, and other stakeholders
 - Regular garden-based lessons provided to every student at least once a month
 - Welcoming learning spaces is included in the school's garden design in order to encourage outdoor class time
- Operating a strong annual Farmraiser program that provides:
 - A healthy fundraising option, eliminating "exempt" fundraisers
 - Student leadership opportunities
 - Nutrition promotion to participants through handouts, recipes, etc.
 - Healthy, affordable food to food-insecure households through SNAP & Double-Up Bucks programs
 - Community engagement opportunities, as neighbors are welcomed into the program

Non-Food Celebrations*

- Games or crafts – ask parents to bring supplies for a game or craft project
- Let's trade! Ask parents to bring small items to trade, such as pencils, stickers or erasers
- Dance party
- Extra recess or playtime
- Special book
- Guest readers
- Activity time
- Overnight stuffed animal or item from class or program
- Special show and tell
- Special time with principal, teacher or site staff – take a walk around the school or playground

- Organize a community project
- Have a themed scavenger hunt around the school or site
- Stock a treasure chest – ask parents to bring items such as pencils, stickers, and erasers or other small trinkets to fill the chest
- Themed parade around your school- try a vocabulary or food group theme!
- Allow the birthday child to be the class or site assistant for the day to help with special tasks, such as making deliveries around the school or site or lead the line
- Make it an event! Allow the birthday child to wear a special sash and crown or carry a special item

*For birthday celebrations, allow the birthday child to choose the game, activity, music, item, book, etc.

“From-Home” Breakfast/Lunch Policy

Please use icepacks in lunch boxes to keep items cold as necessary. We cannot reheat or keep refrigerated lunches from home.

Students and parents are encouraged to review the lunch menu daily.

Students will need to make arrangements for lunch from home BEFORE school. Calls home during the day to request lunch will not be allowed. Monthly lunch menus will be sent home and posted on www.concordiacharter.org, and the next day’s lunch will be announced and displayed daily. Parents dropping off lunches after classes begin should deliver them directly to the office.

Breakfast and Lunch food items from home should fall within the school nutrition guidelines, such as MyPlate. Our cafeteria’s “No Junk Zone” seeks to reduce food from home that offers minimal nutritional value. Please do not send the following items for lunch or breakfast:

- Soda
- Candy/Chocolate
- Donuts/Cake

We thank our students, parents, and staff in advance for helping to make our school safe and healthy!
